

A Message to St. Michaels Community Gardeners

Welcome Gardeners!

I want to take a minute to introduce myself. My name is Kerri and I have had the amazing opportunity to become the SMCC chef! Using my knowledge of food and nutrition, my goal is to move our Community Café meals to a new level of nutrition, while keeping it familiar and yummy for our clients.

We are in our temporary home at 207 N. Talbot Street, with our Community Café and Pantry still going strong! We look forward to adding summer programs, with progress on our forever home moving ahead to an early 2024 completion. We will be moving in before we know it!

I think 'thank you' doesn't begin to say it, but **thank you Elizabeth**, for keeping the plots organized, maintained and possible! And personally, thank you for bringing Besti, Brie and me together! The three of us are caring for the Community Center's plot and are making a fantastic team! Please say hi if you see us there, we are excited and committed but could use all the advice and support you have to offer!

Please keep in mind, if you have an abundance of goodies, I would be grateful for the opportunity to turn them into nutritious meals for our Café guests. Please contact me and I will be happy to pick up! Or you can always drop off at 207 N. Talbot Street. (You can use Mill Street to access our side entrance adjacent to the public parking lot.)

I look forward to meeting and learning from all of you! There are some beautiful plots, I love to go and admire them!

Happy Gardening!

Executive Chef Kerri Clear
St. Michaels Community Center
