## THE NEED: A PLACE TO LEARN, CONNECT & GROW

The St. Michaels Community Center's total renovation of our aged building will include modern, equipped classrooms for after-school programs, summer camps, and adult education, along with a Technology Center to provide online classes offered by Chesapeake College and a home for a retail entrepreneurship training program.

The renovated center also will help to expand community food distribution services, including a modern commercial kitchen for a new Culinary Arts & Hospitality Workforce Development Program.

*The building renovations began in late 2022 and are on schedule to be completed by early 2024.*

# THE CALL: INVESTING IN OUR COMMUNITY

SMCC anticipates doubling the number of people served after programming in the new building is operational.

Only \$200,000 is needed in the homestretch of our campaign to reach our \$4.5 Million goal.

**Help Us Reach The Finish Line**

**\$4,300,000 RAISED AS OF DEC. 1, 2023**

Additional charitable donations and grants of just \$200k are needed in our campaign's homestretch.
